

A background image of a wheelchair basketball game in progress. Several players in blue and white uniforms are on a wooden court, some in the air shooting the ball. The scene is dimly lit with a dark overlay. Various logos are visible in the background, including 'RBBL' and 'BG BASKETS HAMBURG'.

SHOT-BOT

SPORT-TECH SOLUTION

The Problem

Traditional Training

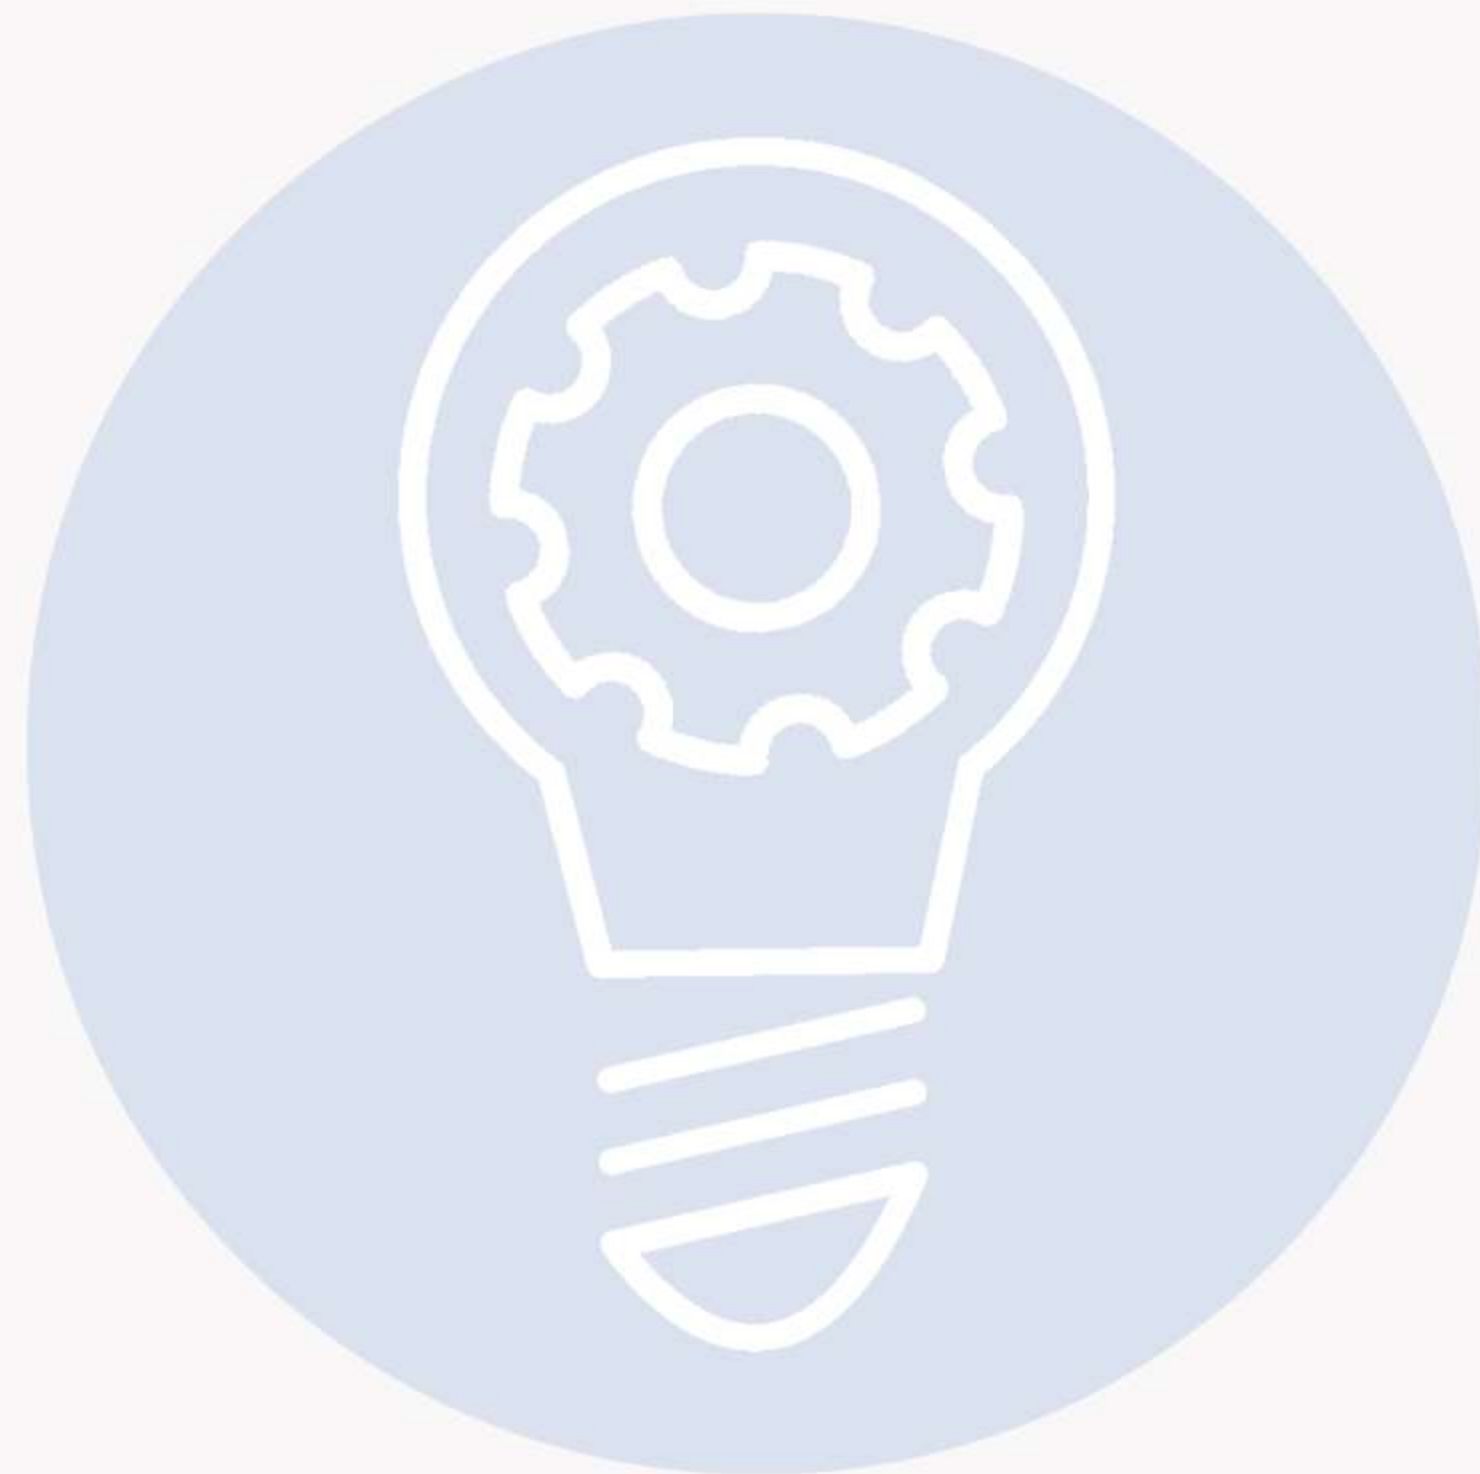

Inefficiency

Lack of Dynamic Feedback

Our Solution

Shot-Bot 106

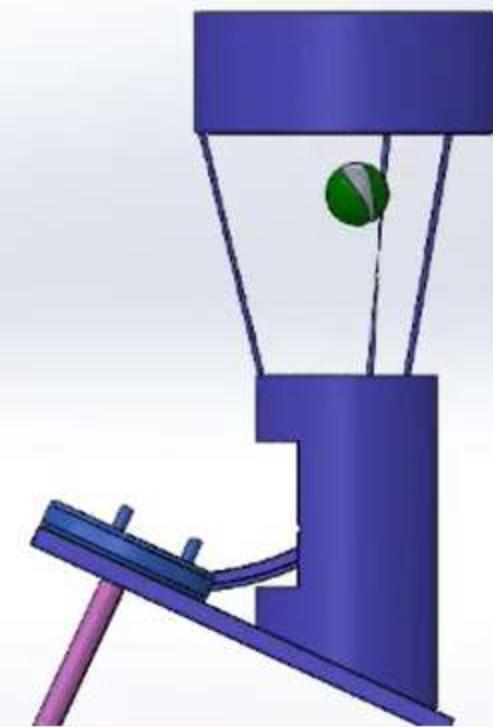

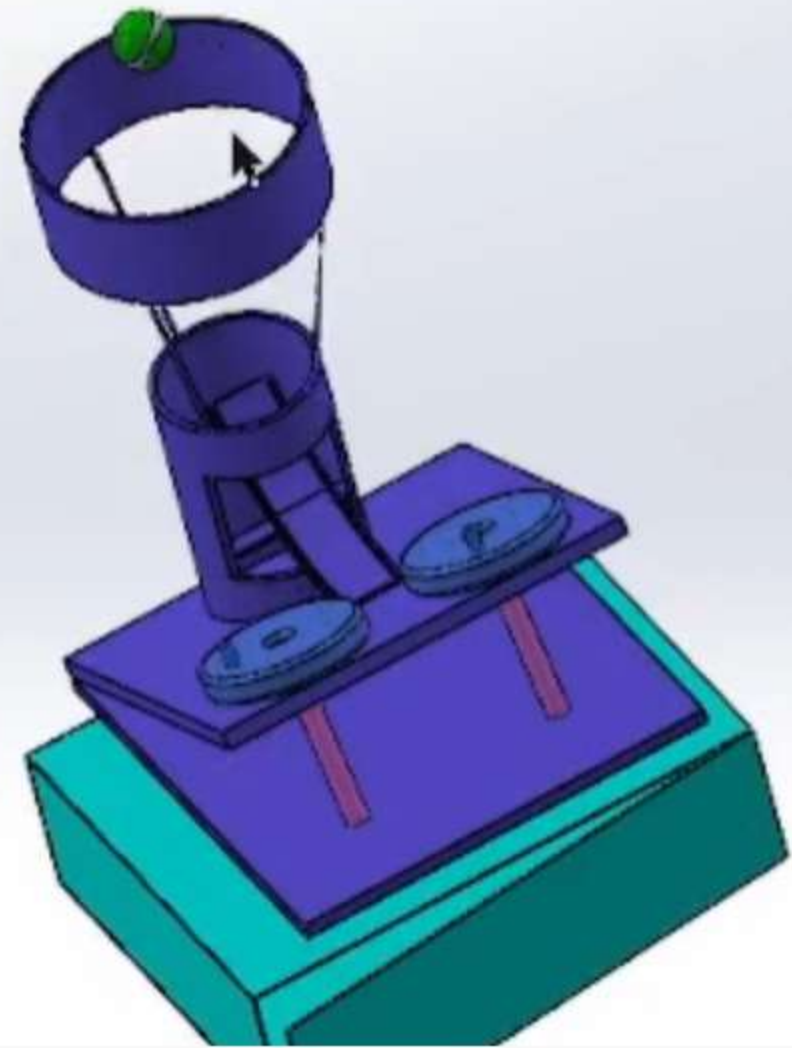

Shooting Machine project blends adaptive equipment and smart city tech for basketball inclusivity.

Cloud computing enables data-driven analytics and facility management. IoT facilitates real-time communication, offering personalized feedback. Computer vision and a mobile app deepen user engagement, promoting a holistic sports experience.
